To know how many 1st appointments you need to maintain throughout 2021 so you're not just IMAGINING your goals, all it takes is a little calculating!

Total Asset Goal For 2021:	\$
# of Weeks Planned to Work in 2021:	 weeks
Avg. # of 1 st Appts to Acquire New Client	1st appts
Current Avg/ New Client Account:	\$

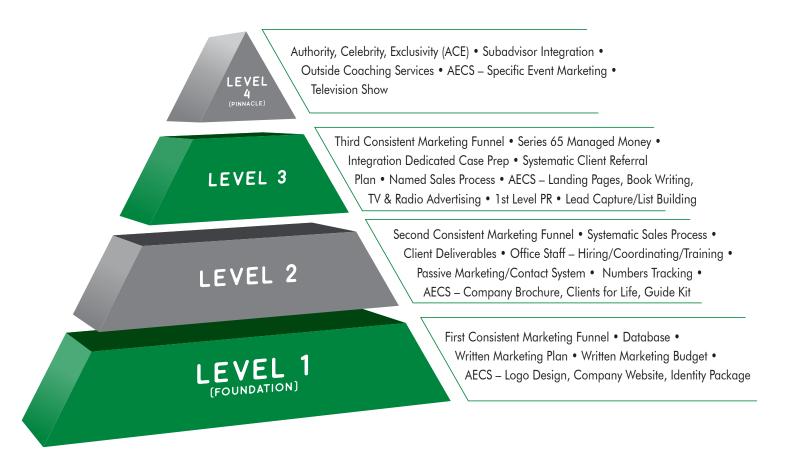

Now that you've got those figures, all you have to do is some simple math!

DETERMINE TOTAL NEW CLIENTS FOR 2021:					
\$	Total Asset Goal	÷ \$ =New Clients Needed			
	DETERMINE	TOTANUMBER of 1st APPOINTMENTS IN 2021			
#	New Clients Needed	X # =			
DETERMINE TOTAL NUMBER of 1st APPOINTMENTS PER WEEK FOR 2021					
#	Total 1 st Appts for 2021	÷ # =
